Instructions for Completing Compliance Statement

Vermont Law requires that owners of residential rental property built before 1978 complete a Compliance Statement upon completion of Essential Maintenance Practices (EMPs). Property managers who provide maintenance services are also required to complete EMPs, including filing the Compliance Statement, unless their contract explicitly states the property manager is not responsible. Every 365 days, a Compliance Statement must be filed with the Department of Health and the property owner's liability insurance carrier. Copies of the Compliance Statement must also be given to tenants.

You may wish to use the boxes below as check boxes to help make sure you are completing the form correctly.

Side 1

The top portion of Side 1 is identifying information. Please print legibly.

- Complete one Compliance Statement per building, along with its outbuilding(s).
- Only one owner or the property manager needs to sign the Compliance Statement.
- All owners' names, addresses, and phone numbers must be listed.
- If all owners do not fit in the space provided, use a Compliance Statement Continuation Sheet to list additional owners.

The bottom portion of Side 1 (numbers 1–6) applies to the exterior of the building, outbuildings, grounds, and interior common areas.

- Be sure to include the EMP Certificate # and date completed for numbers 1–5.
- On numbers 2 and 4, "None" means that no deteriorated paint needed to be stabilized.
- On number 3, "None" means there were no visible paint chips on the ground.
- For number 6, the poster needs to be in each unit or in a location that all occupants can see.

Side 2

Side 2 is for EMPs completed for each unit in the rental property.

- Be sure to fill in the rental property address at the top of the page.
- There are spaces for 6 units on Side 2. If you have more than 6 units, copy enough blank sheets of Side 2 to have enough spaces for all the units in the building.
- Be sure to include the EMP Certificate # and date completed for numbers 5–7.
- Number 10 applies to lease and rental agreements beginning July 1, 2008. If more spaces are needed, use a Compliance Statement Continuation Sheet for the additional information.
- Property owner or manager must sign and date each Side 2 page.

Overall

- In the upper right hand corner of each page, fill in the page number, for example, Page 1 of 3, Page 2 of 3, Page 3 of 3. Please remember that for buildings with more than 6 units, additional Side 2 pages will be needed.
- Copies of Side 1 and Side 2 must be distributed to tenants within 10 days of signing the Compliance Statement. If more than one Side 2 has been completed (because the building has more than 6 units), give the tenant the Side 2 with that tenant's unit on it.
- File the Compliance Statement with the Vermont Department of Health, Childhood Lead Poisoning Prevention Program, PO Box 70, Burlington, VT 05402-0070 and with the owner's liability insurance carrier. All pages of the Compliance Statement must be filed.

Contact the Childhood Lead Poisoning Prevention Program at 1-800-439-8550 with questions.
